Chairman's Comments

I am pleased to say that we will not be holding a parish council election this year, as no one has come forward to challenge the incumbents. I like to think that this is because everyone is reasonably content with the current parish council, although the process for standing as a candidate, which requires a personal trip to Didcot, is perhaps off putting to the casual challenger. Nearly all of the current members of the Parish Council have joined through being co-opted to fill vacancies, and if anyone is interested in joining the council at any time, do feel free to contact the clerk or come along to one of our meetings.

My thanks to everyone who helped out on the Litter Blitz, where we collected a large amount of litter and cleared about 4 miles of roads. When walking or cycling along these roads subsequently, it is disappointing to see that, like autumn leaves, yet more cans and wrappers have settled on the verges. There is currently consultation on legislation to introduce refundable deposits on cans and bottles, as is the practice in some European countries, notably Germany and the Nordic states. In these countries, the deposit on cans and bottles has encouraged the use of refillable bottles, like beer, as well as the collection of one trip containers like drinks cans.

The government announced over a year ago that a deposit scheme for all sorts of containers, plastic, metal and glass, would be introduced, subject to consultation. It seems that there is lobbying by various business interests groups to make the scheme less stringent. Perhaps the plan has been put aside while Parliament spends time on other things, but I very much look forward to some progress on this matter before too long.

Peter Dragonetti

Chairman

M4 Total Closure

The M4 heading west will be totally closed on every weekend in June and July between Theale (J12) and Hungerford (J14) while work goes on at Junction 13, the A34. Traffic will be diverted along the A4. The closure will be from 10pm on Friday nights to 6 am Monday, including all day Saturday and Sunday.

Planning Decisions

The following planning applications have been considered. Where a decision is not given, it means the Parish Council has not yet received written confirmation from S.O.D.C.

Premises and Application	Parish Council	SODC
P19/S0919/HH Little Heath Crays Pond Replacement of existing stables block structure	No strong views	
P19/S0874 Pilgrim Cottage Path Hill Single-storey rear extension	No strong views	
P19/S0838 Spring Cottage Coldharbour Single storey rear extension	No strong views	
P19/S0760 Flint House Reading Road Temporary kitchen and store	No strong views	
P19/S0682 Green Lea Hill Bottom Proposed single storey side extension.	No strong views	Approved
P18/S3929 Glenavon Whitchurch Hill Part retrospective application for planning permission for the retention of gates and lime rendered wall and 2m high piers at north east corner of the site. One meter high fence along Orchard Coombe.	Objection	Approved
P19/S0442 Rose Cottage Hardwick Estate Collins End Single storey side extension to out building	No strong views	Approved

Planning

We would also like to point out that No Strong Views is one of only three choices that SODC gives the parish council. It should not be read as illustrating tacit approval of an application. More often than not this choice is supplemented with specific comments from the parish council highlighting areas of concern.

Recreation Ground

While the recreation ground at Whitchurch Hill has a reasonable range of equipment for younger children, there is not much for the 9 plus age group. The parish council thinks that a cantilever swing, as in the picture, would fill this gap. We would expect that all the cost, as at the Garton End Play area, would be covered by grants. While this was displayed at the Annual Parish Meeting for consultation, any other comments would be very welcome.

**GORING HEATH AND WHITCHURCH SPRING SHOW
APRIL 13TH**

This year, there was a total of 28 entrants, 5 more than in the summer show, with a total of number of 130 entries, one more than in the summer.

I was very pleased with the entries considering that most of the daffodils were over, but people still managed to find some. The high number of fruit cakes (11) was very encouraging.

The show would of course not be possible without the small band of willing helpers: Sarah Hanfrey who does all the computer work and replenishes the stationery stocks, Sally and Chris Bergman who help set up the tables, Peter Dragonetti who helped put away all the tables and Denyse Williams who helps sort out the entrants and mans the door on show day as well as helping to pack up. Of course the show would not be possible without the tireless efforts and hard work of fellow committee member Liz Gibson. I must also thank the other members of the committee: Judith Johns and Sally Trinder who took over serving teas (as well as providing cakes) with calm assurance. My sincere thanks to all. The summer show is on the 7th September. See you there!

LITTER BLITZ—SATURDAY MARCH 30TH

(Left and right) Just some of the many people who volunteered for the Litter pick.

Unlike the weather on last year's cold and snowy Litter Blitz day, the sun shone brightly for this year's event. A large number of villagers from Goring Heath, Whitchurch Hill and Cray's Pond turned out to help tidy up their parish.

Over 70 black bags of rubbish were collected by volunteers—rubbish ranging from bottles and cans to old sofa cushions and large pieces of scrap metal, all of which have now been removed by the Council.

Thank you to all who were involved in the Litter Blitz—it doesn't take very much time to accomplish and makes such a difference to the look of the parish.

Litter pick volunteers

Whitchurch & Goring Heath History Society

Our lecture season continues on Thursday evenings at Goring Heath Parish Hall (Whitchurch Hill) on May 16th as our speaker is Richard Fortey.

Richard purchased a small part of Lambridge Wood (near Greys Court) and observed there the passing of the seasons and investigated its geology and ecology. However he does much more than that, as he uncovers the history of the area, and his book “The Wood for the Trees” is a much admired study of man and the natural world.

We welcome non-members, who pay £3 per evening, to include coffee and biscuits. Coffee served from 7.30pm. Membership is £12 a year – a bargain!

OWL – Our Woodcote Library

Could you help?

At the OWL Annual General Meeting the Chair reported another successful year, but flagged up the need for some new volunteers as we go into our fifth year of supporting the library. In particular we are looking for people who can spare a couple of hours on Fridays.

If you can help, please contact the library (01491 682323) or Vicky Jordan (01189 843260)

Report to OWL AGM 25th February 2019

OWL continues to be well supported, and we are very grateful to those who have provided funds to keep the library a good place for the people of Woodcote to enjoy.

The Parish Council has funded the Saturday assistant, which takes pressure off volunteer time. The Woodcote Rally have been generous, allowing us to mend the children's book boxes and buy new chairs for the coffee area. OWL paid for the very successful "Library Lion" children's entertainment) and the Windmill Sale is to be thanked for buying us the coffee machine. OWL fundraising was through a coffee shop in September and a Quiz night at the Red Lion.

We have a stable number of volunteers, though will probably have to recruit again soon to cover Fridays. Isobel Green and Elizabeth Refford have stepped down after many years of excellent service, and we thank them for all their hard work. We were happy to welcome Meryl Weir back after a spell of ill health.

The rota is put together by Dan Oldfield and Jacqui Lawrence, an essential service. Thanks are also due to Roger Hadaway, our secretary and Jerry Green, our treasurer.

We have continued to have six-monthly meetings with Oxfordshire County Council library staff where we discuss any problems. Vicky Jordan attended the Friends Group Conference in County Hall.

The Christmas social and quiz was enjoyed in a suitably light-hearted spirit.

WHITCHURCH HILL WOMEN'S INSTITUTE

In March we had our Annual General Meeting, when Frances Strange was re-elected as President, we thanked two of our Committee members for all their work as they had decided to stand down from the committee, and we welcomed two new members. Reports were given as to our financial situation which is healthy, and the work which has been carried out over the past year. We have raised money for the Reading Women's Refuge with our "Coffee and Cake" morning at the Art Café, and enjoyed several social and workshop mornings in addition to our regular business meetings when we have a speaker. At the beginning of April we celebrated our 66th Birthday lunch, when a special cake was made to also celebrate the Centenary of Berkshire W.I.Federation.

In our April meeting on the third Tuesday, we shall welcome back Frances Benton, with her second talk on Pearls. In May Jaye Windmill will recount a walk from Lands End to John O' Groats. The speaker at our June Meeting will be Daniel Melville who will explain the mysteries of 3D Printing.

Whitchurch Hill Women's Institute is part of the Pang Valley Group of WIs, and on 22nd May there is to be a talk on Suffragettes by Philippa Bilton who is a relative of Emily Davison. This will be an evening meeting at The Barn in Purley, and tickets are available.

Later in the year we continue with a wide range of interesting speakers and also more craft and social events (on the first Tuesday of the month) in addition to our normal meetings.

Guests are welcome, please telephone 0118 984 1696 if you would like more information. Come along and find out what we do. Our meetings are held at Goring Heath Parish Hall RG8 7NY at 10.15am, doors open 10am on the third Tuesday (except for December).

Goring Heath NEWS

pangbourne
tennis club

Play tennis at Pangbourne this summer!

The tennis club is now in full swing for the summer season, with coaching for adults and juniors and club play all underway.

Last year ended with our now traditional quiz night at the end of March. Fifty people spread over eight teams vied for the title of Club Champions. Nick Bell's team, the reigning champions, won again by a narrow margin. The very successful evening raised more than £500, which will pay for smart new nets for all three courts. Thank you to everyone who supported the club.

Back to Tennis Programme – starts Tuesday 14th May

New for this year is our Back to Tennis programme—a dedicated course for anyone keen to get back into tennis, or take the first steps to play. Run by our club coach Damian Lane who is very experienced in developing players of all standards, the eight week course will (re)introduce you to the basics of tennis in a supportive environment. The course starts on **Tuesday 14th May** at 18:30 and runs to 2nd July. The course fee is £65 for members and £105 for non-members. Get in touch at info@pangbournetennis.org to find out more and register your interest.

Junior Tennis Coaching

The first week of the junior coaching programme took place on Friday 26th April for children 4 years and upwards. Starting at 16:15 for the youngest children up to 18:30 for teenagers, each session is 45 minutes under the expert coaching of Damian Lane. If you have not yet registered your children, please get in touch at juniors@pangbournetennis.org to see if there are any places left. This year we are particularly keen to encourage teenagers to come along and develop their tennis.

Adult Tennis Coaching and Play

We are running two sessions for adults this year from 19:30pm to dusk:

Friday evening sessions from April 26th to 5th July

Tuesday evenings from 14th May to 2nd July

Damian will be running skills coaching and drills, followed by match play. The standard fee is £10 per session, with discounts for advanced booking. Members not involved in the coaching are very welcome to join at 20:30pm for the match play (for free, of course! Places for coaching are limited. Register your interest and book your place now by emailing info@pangbournetennis.org

Club Open Afternoon: Sunday 19th May 2-5pm

Why not join us on Sunday 19th May for our open afternoon.? You'll be able to get on court with Damian (racquets will be available), play some fun games (adults and children!) and have some refreshments in the club house.

The club is located between the river and the railway on the Recreation Ground and we share the club house with Pangbourne Bowls Club. The subscription for adults is just £45 per year. We also offer a family membership for £100, which covers up to two adults and three children.

To find out more about the club email us at info@pangbournetennis.org

THE FRIENDS OF ST MARY'S & ST JOHN'S (an independent charity)

Plans for this year's major project for restoration of the St Mary's Church clock are progressing well. It has been quite a challenge to find a suitable company to carry out the work but that has now been achieved and work will commence about mid-July. Thanks to generous support from members of the Friends and others, the Trustees have sufficient funds to complete the works.

The Friends are also supporting work at St John's churchyard which will involve clearing some areas and renovating the railings alongside the main road.

In support of the improvements to the churchyard, the Friends have arranged a 'workday at St John's churchyard' on Saturday 18th May starting at 10am. All are invited to join in – just bring along tools to clear brambles etc. and hopefully, a good bonfire will get rid of the debris.

Various smaller projects have been suggested and the Trustees are considering priorities and costs.

With regards to social events, we continue to support the Art cafe at The Old Stables on the first Saturday every other month (May, July, September etc.)

The Friends plan to hold a celebration event at St Mary's church on completion of the clock's restoration. It is expected that this will be held towards the end of the summer. We aim to have a quarter peal of bells and live music with drinks and snacks.

Our annual main music event is being arranged for late October at St John's church. Details for both of these events to follow.

As always, the Friends are keen to welcome new members so do contact me if you would like to join (minimum £10 annual membership).

Bus Service Changes

From 23rd April, the bus service to Reading will run on Tuesdays (instead of Wednesdays) and Saturdays, and there will be three return journeys instead of just two. Why not take the bus to Goring and walk back through Hartslock Wood or Upper Gatehampton Farm with lovely views from the Chiltern Hills (or vice versa!). You can bring (well behaved) dogs on the bus if you fancy a change of scenery when taking them for a walk. The morning bus, leaving The Sun at 10.16, passing through Crays Pond and Goring Heath a few minutes later, runs on to the Royal Berks Hospital (handy for visiting patients without having to worry about parking!) and the Brunel Retail Park where you will find stores such as Morrisons and B&M. You can have around 50 minutes there, or an hour at the Royal Berks before the bus back.

The new service brings many more journey opportunities for Whitchurch, Whitchurch Hill and Crays Pond residents. There are connections at Pangbourne to/from Thames Travel's Reading 143 service, so for example you can get to Town earlier by leaving Whitchurch Hill at 09.32 and changing buses in Pangbourne. We'll also bring you back up the hill from Pangbourne if you want to catch Thames Travel's 12.30 or 14.30 services from Reading.

If you can get to Crays Pond we're also running a new service passing through there to Henley (via Woodcote, Checkendon, Stoke Row and Greys Court) on Thursdays. The bus leaves at 09.39 and 13.19, returning from Henley Market Place at 12.05 and 15.10. Hope to see you on board! Remember the saying - 'please use us, don't lose us'!

Working from home ?

Many people now work from home for all or part of the week, and while the absence of commute can be good, the lack of social interaction in the day is a downside. The Parish Hall is going to be open for anyone who lives in the parish to come and do work in company; there is no charge and no booking required, as the hall will be open when not already booked for other activities Free tea and coffee, and free wifi, and we hope to provide a wireless laser printer. If you are potentially interested in taking advantage of this, please email jane Diggle at ginnydiggle@hotmail.com.
