Chairman's Comments

In November, I commented on the situation in respect of the courtyard of the Almshouses, and since then the parish council has filed a complaint against South Oxfordshire District Council over its repeated failure to protect this Grade 1 Listed building, and the incompetence of its planning officers in this matter. The complaint, which ran to five pages of details and a further 45 pages of evidence, centred on the failure by officers to act properly in accordance with the legislation, principally the Planning (Listed Building and Conservation Areas) Act 1990, and the National Planning Policy Framework, but also with reference to case law.

In his reply, the Head of Planning agreed with the complaint, and stated that "I acknowledge the flaws in the Council's past handling of this matter and offer my sincere apologies for those". The case is being reopened and we hope that there will be a satisfactory conclusion.

In all of this matter, our District Councillor, Rob Simister, appeared to be completely dis-interested, as too often been the case in recent years, unlike in the past where we had such good local Councillors as Mrs Deborah Whitfeld or Mrs Anne Ducker. Mrs Whitfeld was also on the parish council, and Mrs Ducker would make every effort to attend our meetings. Mr Simister has now resigned, but as he has done so within six months of the coming District Council elections in May 2019, there cannot be a by-election. Apparently he resigned because of the behaviour of his fellow conservatives on SODC. I think I saw our MP, John Howell, more often than I saw Mr Simister.

If you take an interest in local politics, you may recall that the number of district councillors were reduced before the last election. Instead a local person representing us, it was someone from Harpsden who had to represent not only Goring Heath and Whitchurch, but also Mapledurham and Kidmore End. The reason put forward for the reduction of the number of councillors was to save money on councillors allowances, as fewer councillors meant less allowances. Unsurprisingly, straight after the election the Conservatives then increased the amount of the allowance paid to each councillor, so that there was no saving at all, as the same amount in total was paid to fewer people.

Come May 2nd, there is going to be another election, and perhaps now is the time for some changes.

Peter Dragonetti
Chairman

Planning Decisions

The following planning applications have been considered.
Where a decision is not given, it means the Parish Council has not yet received written confirmation from S.O.D.C.

Premises and application details	Parish Council	SODC
P18/S3397/FUL Land Adjacent to Rose Cottage Hill Bottom Whitchurch Hill RG8 7PU Erection of a two storey two bed dwelling.	Objection	
P19/S0113/FUL Bozedown Farm Hardwick Road To Provide five Winter Yurts	Objection	
P18/S4263 Glenavon Whitchurch Hill Proposed extensions and garage / car port extension	No strong views	
P18/S4203 Lavender Cottage Coldharbour Proposed demolition of existing partition. Proposed formation of new first floor bathroom.	No strong views	Approved
P18/S4308 Bottom Farmhouse Blackbirds Bottom Installation of solar panels in the garden area away from the main building.	No strong views	
P19/S0129/LDE Woodcote Sawmill Pot Kiln Lane Use of single storey former office/mess room building as a dwellinghouse.	Notification only	
P18/S4289/FUL Flint House Erection of two temporary separate kitchen facilities	No strong views	
P18/S4291/LB Flint House Proposed refurbishment of the kitchen and associated extension and alterations to accommodate HVAC plant	No strong views	

Planning

We would also like to point out that No Strong Views is one of only three choices that SODC gives the parish council. It should not be read as illustrating tacit approval of an application. More often than not this choice is supplemented with specific comments from the parish council highlighting areas of concern.

Clothes Bank in Village Hall Carpark

The parish council has agreed to let the Salvation Army put a clothes bank in the village hall carpark. We hope that this will be a useful facility, and help to raise money for a good cause.

A POPPY APPEAL ORGANISER IS NEEDED TO COORDINATE THIS YEAR'S POPPY APPEAL IN GORING HEATH

We currently have a vacancy for a Poppy Appeal Organiser to work with our team of volunteers and coordinate the Poppy Appeal in Goring Heath. This role can be carried out by an individual or a team of people.

The support for our armed forces provided by the Royal British Legion is as relevant today as it was back in the years following the First World War. From Sports-based rehabilitation courses and careers advice to dedicated care homes for older veterans, the Legion is here to ensure every member of the Armed Forces community and their families receive the support they need.

Without local volunteers we would be unable to have a Poppy Appeal presence throughout Oxfordshire and the local community in Goring Heath has always been very generous to the Poppy Appeal so it would be great to keep a presence there.

If you would like to find out more about this important role, please contact Jess Jenkins, Community Fundraiser Oxfordshire by emailing jjenkins@britishlegion.org.uk or telephone 07500 225 215.

Fabulous Forties or why us?

As background to the Councils efforts to reduce the speed limit I thought it worthwhile to research the history of the 40 mph speed limit and the consequences for Crays Pond residents.

Prior to 1930 the national speed limit was 20 mph, with the 1930 Road Traffic Act speed limits for cars was done away with entirely, then on the 18th March 1935 with a new Act and after five years of having completely derestricted roads and much carnage, the British government introduced a 30 mph speed limit in built-up areas. For over twenty years, 30 mph had been the only road speed limit in the British Isles, although during the war years a 20 mph limit was applied at night.

Built-up areas were defined as roads having continuous street lighting in the approaches to towns and villages. The practice continued after the war, by the mid-1950s British towns and cities had developed significantly compared to 30 years earlier. Main roads were of much higher standard, and it was clear that, while the speed limit on these roads remained at 30 mph, speeds of around 40 mph were commonplace without any particular safety problem.

Rather than enforce inappropriate 30 limits, the government regularised the situation by introducing a new speed limit of 40 mph on suitable thoroughfares. This was only intended for high-quality outer-suburban roads, although it could also be applied to other roads with suitable characteristics, I have not been able to confirm the exact date when 40 mph limits were introduced but evidence suggests its is through the Road Traffic Act 1956. The 70 mph for motorways took effect on the 22nd December 1965.

In the early part of the 90's, the then Conservative government withdrew the requirement for local highway authorities to gain the approval of the Department of Transport before changes to main road speed limits. This in effect gave them the freedom to act without a consistency requirement.

In consequence the change of 40 mph limits has not always been done in a fair and dependable manner. It has been suggested that highway authorities have generally not fully assessed their roads to see which what benefits would ensue, less accidents, lower pollution, and 10% less noise with a lower limits. They have responded in a piecemeal manner to proven fatalities and major accidents and complaints from local residents, shunts and minor accidents being seemingly under reported because of insurance penalties for the participants, hence these important factors are discounted by local road authorities when deciding new limits.

Fred Rutherford. 5 January 2019.

The 30 MPH Speed Limit for Crays Pond is nearly here.

The parish council and many supporters have put in sustained efforts to have the speed limit through Crays Pond reduced to 30MPH and after a site meeting with two officials from OCC our request was accepted and the lower limit is to be introduced. This limit will apply to the B471 and B4526.

This latest attempt started with a 'logic document' presented to OCC which was based on the Dept for Transport Circular 01/2013 with its 30MPH-default limit through villages subject to various conditions – the requirements were met fully. The issue on our being the only village to have a higher limit can only be explained as an oversight. Those officials are now following the process to ensure the various parts of traffic and road regulations are followed and that the new signs are sited correctly. I will update you when I know more. Enforcement is always an issue so be assured it is being attended to.

We must thank the council for championing this long-standing cause and the many people who wrote in to support the request. Our safety is improved, statistically, there should be fewer accidents with lower noise and reduced pollution but, overall, we will feel safer. People power does work!

Fred Rutherford.

Election Night

The Parish Council is due for re-election in May.

Many of the current councillors have been appointed through coming forward when there is a casual vacancy, and in recent years the vacancies and candidates have been in balance, so we have not had to choose between one or more people.

The parish council is not political, and we come to decisions on the basis of a consensus of views.

We do try to avoid un-necessary expenditure, and one such item would be an election, as it has to be run by the District Council, and we have been advised that it would cost us between £2500 and £3000.

If you are interested in joining the parish council, please do come forward, attend a meeting, and see what it is all about.

Mike Holland's Quiz Night

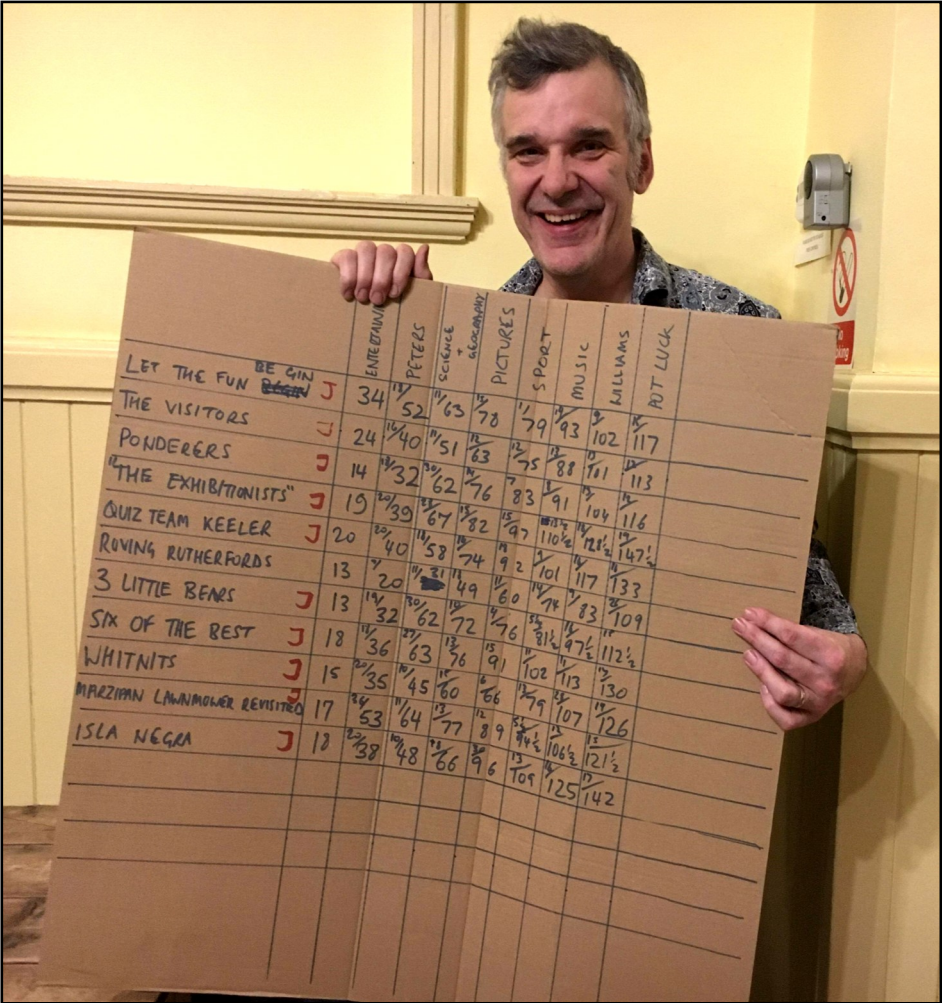

A packed Goring Heath Parish Hall was the venue for the now famous 'Mike Holland's Quiz night' on the 9th February.

A delicious fish and chip (or vegetarian) supper was enjoyed by all who bravely battled to compete for the winners' trophy whilst raising an amazing £666.30 for Hall funds.

Thank you to everyone involved in organising such an entertaining evening.

Litter Blitz—Saturday March 30th, 10 -12

Once again, the dying back of the roadside verges over the winter has revealed the extent of litter along our road sides, jettisoned by the ignorant and vulgar from passing vehicles. Litter is created by a small minority of people, and while most of us find litter offensive, some good people are prepared to take action against this blight.

As part of the **Great British Spring Clean**, the Parish Council organises a community action day in the early spring before the undergrowth grows up and while the litter is visible and can be easily picked up.

This year we have chosen Saturday March 30, so if you have recovered from Brexit celebrations or sorrows the night before, you can connect with reality amongst the detritus of the consumer society by joining others from your local community in getting Goring Heath clean and sweet and ready for life under WTO rules .

There are three assembly points, the **Parish Hall car park, Crays Pond cross roads** by the new bus shelter and by **the Old Post Office Goring Heath**. We meet at **10.00** and are usually finished by lunchtime. Litter bags are provided, but please wear gloves. A parish Councillor will be on hand to assist at all locations.

WHITCHURCH HILL VILLAGE FETE

The fete is taking place on May 25th this year and we need volunteers to help with the preparation for, and running of the fete on the day.

The 2018 Whitchurch Art & Craft Exhibition - 24th / 25th November

This annual exhibition certainly hit the headlines last November. The biggest surprise of course was that the top prize in the Under 6's section was won by Harold the dog – Nick Brazil's constant companion. This was such a quirky story that James Burton of the Henley Standard gave it a full page write-up, which must be a first.

It was a very successful show all round, with 195 entries, representing high standards and great skills in all the Art, Craft and Photography sections. We were also pleased to welcome 4 new adult exhibitors, as well as many of the regular supporters, a total of 118 in total.

The theme for the Joyce Voysey Prize was 'Dogs' – if you visited the exhibition, you could not fail to be charmed by the wonderful range of pictures and models of dogs, large and small. The theme for 2019 has not yet been chosen but will be announced in the spring.

We also introduced the Nick Brazil award which is presented to the best short video. It was jointly won by Scarlet and Tess Higley for their films on the themes of 'Remembrance' and 'Autumn' respectively. We hope this will become a much contested award in the years ahead. Colourful displays of work by children at the Pre-School, the Primary School and the Oratory Prep School were very eye-catching and showed great promise.

Visitors enjoyed refreshments all weekend and meeting up with friends and neighbours before the prize-giving ceremony at 4-30pm on Sunday.

Congratulations to all the prize winners; a full list of these can be found on the Whitchurch-on-Thames website.

Very many thanks to all exhibitors and also to everyone who helped with the setting up, dismantling and running of the show, including serving the refreshments and making delicious cakes. Finally, my special thanks to Sarah Dixon, Wendy Ferguson, Jean-Marc Grosfort and Peter Smith who helped me in the planning stages and to the Whitchurch Society members who supported us.

WHITCHURCH HILL WOMEN'S INSTITUTE

Our members enjoyed a craft morning at the beginning of February, when Catherine Crabb showed us how to make 'hedgehog' lavender bags, and we are looking forward to several other craft and social mornings planned to take place at the beginning of each month.

In March we shall have a walk and lunch at the 'Perch and Pike', and we shall also be running a Coffee and Cake morning at the Art Cafe for charity on 9th March. Our annual Birthday Lunch will be on 2nd April.

In January we also had speaker Jane Sampson who related her experiences when she visited Star City in Moscow with the astronauts who trained there, and experienced weightlessness.

Our February speaker is Jane Stubbs talking about "Corsets, Crinolines and Mangles", and in March we shall have our Annual General Meeting, followed in April with a return visit from Frances Benton who will talk about Pearls.

Members are being asked to join the "Green Challenge" - to recycle, reuse and be eco friendly as well as using charity shops. Following our Christmas collection to benefit the food bank, we are now being asked to bring edibles to any meeting, when there will be a box for depositing same, which will be delivered to the Wallingford Emergency Food Bank.

Later in the year we continue with a wide range of interesting speakers and also more craft and social events (on the first Tuesday of the month) in addition to our normal meetings.

Guests are welcome, please telephone 0118 984 1696 if you would like more information. Come along and find out what we do. Our meetings are held at Goring Heath Parish Hall RG8 7NY at 10.15am, doors open 10am on the third Tuesday (except for December).

For information please contact Patricia Dent –email : pmdent@btinternet.com or telephone 0118 984 1696

Goring Heath NEWS

Whitchurch & Goring Heath History Society

We're delighted to welcome back Clive Williams on Thursday 21st March. This time he will be speaking about his new book "You'll be a teacher over my dead body", a frank and funny account of his legal career at Berkshire County Council. Outrageous antics of judges and other public figures are re-counted along with more serious issues encountered in local government, such as the 1974 reorganisation.

Our April meeting, on the 18th, has Tom Fort, author of "The Village News" speak about the survival of the English village in past times, and in the future. Tom Fort had a career in local journalism and BBC radio news before early retirement to write his many books on subjects such as lawns, eels, the Channel Shore and the A303.

Our meetings take place at Whitchurch Village Hall at 8pm, coffee served from 7.30pm, and cost £3 to non-members, to include coffee and biscuits. For a better bargain why not join us?

THE FRIENDS OF ST MARY'S & ST JOHN'S, WHITCHURCH

The Friends, an independent charity has now been established for over two years and has made good progress in achieving their aims.

This is to bring together as many people as possible from the Whitchurch community who are interested in the historical and social value of the two churches and surroundings. It includes people of different faiths and some of no faith. Funds are being raised to assist in the upkeep and development of the two historical church buildings.

Projects completed last year included the installation of a new sound system and loop in St John's Church, a new notice board on the High Street for St Mary's, notice boards at St John's repaired and replaced, together with improved security at St John's. Churchyard workdays have also been carried out at both churches.

The major project for 2019 will be the repair and restoration of the clock at St Mary's Church. This clock has not been in working order for about 20 years. Funds of the Friends have been increased as a result of many generous donations for this project by members of the Whitchurch community.

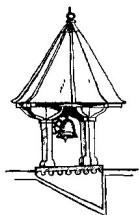

Various social events are arranged throughout the year, the most recent being the 'Evening of Music' held at St Mary's Church. This was a most enjoyable evening that provided music of many tastes including classical, jazz, popular and concluded with a symphony for organ. All the music was performed by very talented local artists. This was followed by a buffet and drinks.

The Friends also continue to run the Art cafe at the Old Stables on the first Saturday every other month (i.e. January, March etc.)

The Friends Trustees are:-Rev. Claire Alcock, Ken Baker, Theresa Elsome, Gordon Painter, Graeme Pearce, Paul Witcher, Keith Williams and Secretary Sally Woolhouse,

If you would like to join the Friends, please contact me (details below). You will be most welcome !

RG8 Badminton Club

We finished the Autumn term in style with a Christmas Tournament and Party Night. The winners of the closely contested tournament were:

Women: Winner Jo-Anne Harrison. Runner-up Louise Rashid.

Men: Winner, Peter Baker. Runner-up Julian Wiltshire.

The Christmas Party Night took place at the Red Lion in Woodcote and Chris and Jay once more did us proud with fantastic fare. This was then followed by fun and games during which party goers were able to show their in depth knowledge of reindeer and also demonstrate their varying skills of ventriloquism!

We welcome new member. If you would like to know more about our club visit our website – www.rg8badminton.co.uk – or ring Julie Drury on 01491 681654.

Hope to see you soon!

Goring Poor's Allotment Charity

Are you a small group of volunteers reacting to the needs of some element of our community but without the backing of the Local Authority or a national organisation?

If so, this small local charity operating in The Goring and Goring Heath Parishes might be able to help by making a one off grant of up to £500, to enhance or secure what you are doing.
