

Whitchurch Hill Village Fete photos— May 28th

Thanks to **Theresa Elsome** for championing the WH Fete for longer than any of us can remember. She has brought so much imagination and commitment to the role, involving friends and family, even getting celebrities involved! Who can forget the year John Howell opened the fete? And Sir John Madejski too!

We all have so many happy memories of Fete day, the torrential downpour at the end of the millennium year, the egg throwing competitions, the bottle stall, the WI crockery and cakes, the children's entertainment, the ferrets, so many wonderful things, too many to mention them all.

Thank you to John Gray and other long standing members of the fete committee, and of course, once again, enormous and heartfelt thanks to Theresa, Nick and Maz.

Amanda Holland
Clerk, Goring Heath Parish Council

Goring Heath NEWS

Goring Heath Beacon—June 2nd

Martin Wise with the 'before' and 'after' photos from lighting the official Beacon.

The lighting took place in Jon Hatt's field in Cold Harbour Farm, Goring Heath.

A rousing chorus of the National Anthem was sung around the beacon to celebrate the Queen's Platinum Jubilee.
